## Office Petition Guidelines 2024

These guidelines for handling filings with the Schenectady County Board of Elections are made in conjunction with New York State Election Law. Everyone is urged to consult the Election Law and Regulations of the New York State Board of Elections, 9 NYCRR Section 6215, as well as these guidelines.

### **Definitions:**

**Petition:** A ‘petition’ is all of the sheets which may be filed with the Board in one or more volumes, together with any required cover sheet, which designate the same candidate(s) for a particular public office or party position.

### **Petition**

**Volume:** A ‘petition volume’ is the securely fastened grouping of petition sheets for one or more candidates or group of candidates.

### **A. General Requirements:**

- A1.** Sheets of a designating petition should be securely fastened together in one or more petition volumes. The sheets in each petition volume shall be numbered sequentially.
- A2.** All papers required to be filed pursuant to the Election Law shall, unless otherwise provided, be filed between the hours of 9 A.M. and 5 P.M. at the office of the Schenectady County Board of Elections, 2696 Hamburg St., Schenectady, NY 12303. Unless otherwise provided, if the last day for filing shall fall on a Saturday, Sunday, or legal holiday, the next business day shall become the last day for filing. Failure of any person or entity to deliver any such document to the Schenectady County Board of Elections on or before the last day to file same shall be a fatal defect.
- A3.** All papers that are required to be filed with the office of the Schenectady County Board of Elections shall immediately upon receipt be **time-stamped on their face** in compliance with the requirements of the NYS Election Law. Materials that are received through the mail shall have their mailing envelope time stamped as well as the face of each document contained within the envelope. A record must be completed listing the documents contained in the envelope. The record shall be initialed by a board employee representing each of the major political parties. The original envelope and note shall be kept with one of the documents contained in the envelope and a photocopy of the envelope (bearing the post mark) together with the note attesting to its content shall be kept with each different document that was contained in the envelope.

### **B. Identification Numbers:**

- B1.** No one is required to apply for a petition volume identification number before filing any petition volume. However, any person may apply for a petition volume identification number by submission of an Identification Number Application Form. Identification Number Application Forms are available in the office of the Schenectady County Board of Elections. If a petition volume identification number has been assigned before the petition volume is filed, the petition volume identification number should appear prominently on the top of the petition volume. The Board requests that petition volume identification numbers NOT be placed on the petition volume’s binding.

## Schenectady County Board of Elections Office Petition Guidelines 2024

- B2.** A pre-assigned petition volume identification number shall be used only by the candidate/s or applicant/s named in the application. Petition volume identification numbers are not transferable or assigned.
- B3.** A pre-assigned petition volume identification number shall be used only for the election event for which the application is made.
- B4.** Whenever a petition volume is filed without a pre-assigned petition volume identification number, the Board will assign a petition volume identification number from the next available number in the NTS Election Management System (NTS EMS).

### **C. Cover Sheet:**

- C1.** All petitions containing ten or more sheets shall be accompanied by a cover sheet.
- C2.** A cover sheet shall contain the following information:
  - a)** the office and district number (where appropriate) for which each designation and nomination is being made;
  - b)** the name and complete residence address of each candidate;
  - c)** the total number of volumes comprising each petition;
  - d)** an identification of the volumes comprising the petition;
  - e)** a statement that the petition contains the number, or in excess of the number, of valid signatures, required by the Election Law;
  - f)** a place for the optional designation of a contact person to be notified to correct noncompliance with the Rules of the NYS Board of Elections (a candidate may be designated as the contact person);
- C3.** When multiple candidates for different member of county committee positions are bound securely in one petition, the names and addresses of candidates for member of county committee may be set forth by election district of candidacy on a schedule to be annexed to the cover sheet. Cover sheets for the position of member of county committee should include, in addition to such schedule and all other information required by Guide C, a list by election district of the identification numbers or the volume number, and page number where such signatures appear for each election district.
- C4.** An amended cover sheet must clearly identify the original cover sheet that it is amending or attach a copy of the original cover sheet that it is amending. The amended cover sheet must contain all the information required of a cover sheet.
- C5.** An amended cover sheet must be filed on or before the last day to file the petition unless the amended cover sheet is filed to cure a failure to comply with the Rules of the NYS BOE after the Schenectady County Board of Elections has made a determination of non-compliance with those Rules.

**Schenectady County Board of Elections**  
**Office Petition Guidelines 2024**

**D. Determinations; Cures Pursuant to Section 6-134(2) of the Election Law**

- D1.** Within two (2) business days of the receipt of a petition, the Commissioners of the Schenectady County Board of Elections will review the petition to determine whether the petition complies with the cover sheet, sequential page numbering and binding requirements of the Rules of the NYS BOE. Such review shall be limited to matters apparent on the face of the petition, the cover sheet, the binding of each petition volume, and the number of petition volumes. Such review and such determination shall be without prejudice to the Schenectady County Board of Election's determination of objections and specifications of objections filed pursuant to the provisions of the Election Law and these guidelines.
- D2.** The Commissioners of the Schenectady County Board of Elections shall utilize a SCBOE Petition Review Work Sheet and append by paper clip the completed document to the cover sheet of a petition, if one has been filed. If a cover sheet has not been filed, then the Work Sheet shall be appended to the first appearing page of the petition.
- D3.** In the event that the Schenectady County Board of Elections determines that a petition does not comply with the Rules of the NYS BOE, the Commissioners will forthwith notify the candidate or candidates named on the petition of its determination of non-compliance and the reasons therefore.
- D4.** Notification of a determination of noncompliance shall be given by written notice by depositing such notice on the day of such determination with an overnight delivery service, for overnight delivery, on the next day after the determination to the candidate or contact person, if designated, at the address stated on the petition. Notification shall be given by overnight delivery unless the candidate shall have filed with the SCBOE written authorization, signed by the candidate, for the SCBOE to give notification by facsimile transmission or email. In the event that the candidate shall have authorized notification by facsimile transmission or email, then the SCBOE shall notify the candidate or the contact person, if designated, by facsimile transmission or email on the day of the determination to the number/email address set forth by the candidate and shall, in addition, mail, US Postal first class, a copy of the determination to the candidate.
- D5.** A candidate may, within three (3) business days of the date of a determination that the petition does not comply with the Rules of the NYS BOE, cure the violation of those Rules. Cover sheet deficiencies may be corrected by the filing of an amended cover sheet. Such cure or correction must be received by the SCBOE no later than the third business day following such determination.
- D6.** If the petition is for an Opportunity to Ballot, then the first named person on the committee to receive notices or applicant(s) for the identification number or numbers under which the petition was filed, shall be deemed to be the "candidate" for purposes of these Guidelines.

**E. Examination and Copying of Petitions:**

- E1.** The Commissioners of the SCBOE, or in their absence, the Deputy Commissioners, or such other staff as may be designated by both Commissioners, shall control the requisition, examination and copying of any document filed with the SCBOE in order to assure that candidates, objectors or potential objectors and their representatives have an equal and fair opportunity to examine or copy such documents consistent with the needs of the SCBOE to process petitions and specifications of objections.

## Schenectady County Board of Elections

### Office Petition Guidelines 2024

- E2.** Any person may obtain a copy of any document filed with the SCBOE upon written application and payment of \$.25 per page or an electronic copy at no cost.
- E3.** While examining the document: No document shall be unfastened or taken apart; nor shall pen and ink or indelible pencil be used while examining documents. Red pencil supplied by the SCBOE is to be used while examining any original document.
- E4.** No petition shall be unfastened or taken apart without written acknowledgement signed by both commissioners.
- E5.** No petition shall be removed from the petition safe without prior authorization of both Commissioners of the SCBOE, or in their absence, the Deputy Commissioners, or such other staff as may be designated by both Commissioners.

#### **F. Securing the Petitions:**

- F1.** All petitions shall be secured in the petition safe, when not being processed by SCBOE staff for entering into the NTS Election Management System (NTS EMS) or by the Commissioners for their two-day review. The Commissioners of the SCBOE, or in their absence, the Deputy Commissioners, or such other staff as may be designated by both Commissioners, shall be permitted to remove a petition from the petition safe.
- F2.** The door to the Petition Room has three locks. Lock one is used by the Sheriff's office during an impoundment. The key to lock two is in the possession of the Republican Commissioner. The key to lock three is in the possession of the Democratic Commissioner. The Commissioners using their respective party key shall lock when the office is closed the Petition Room door. Likewise, before locking the petition room door, the petition safe shall first be locked. Each Commissioner has the safe combination. However, it takes both political party representatives to gain entrance to the Petition Room.

#### **G. General Objections**

- G1.** A general objection to a petition must be filed with the SCBOE. The last day for filing general objections is three days after the latest date on which any part of such petition or cover sheet was filed.
- G2.** The general objection shall state the name and address of the objector; the name of the candidate/s and public office/s or party position/s; and political party; to which the objection is addressed and shall be signed by the objector. If the objection is directed to a petition for Opportunity to Ballot, the objection shall identify the public office or party position, and political party. It should also include the petition volume identification number.
- G3.** The general objection may include a place for the optional designation of a contact person to receive notice of any determination on the objection. The general objection should include any telephone numbers and fax numbers that can be used to provide notice regarding rulings on the objection.

**Schenectady County Board of Elections**  
**Office Petition Guidelines 2024**

**H. Specification of Objections:**

- H1.** Specifications of objections to a petition must be filed with the SCBOE within six (6) days after the filing of general objection.
- H2.** Specifications of objections shall state the name and address of the objector; the name of the candidate/s and public office/s or party position/s; and political party; to which the objection is addressed and shall be signed by the objector. The specifications may include a place for the optional designation of a contact person to receive notice of any determination on the objection. The specifications should include any telephone numbers, fax numbers and/or email address that can be used to provide notice regarding rulings on the objection.
- H3.** If the specifications of objections claim that there are an insufficient number of valid signatures, the specifications should state the total number of signatures contained in the petition and the total number of signatures that the objector claims to be invalid.
- H4.** When an objector files an objection that presents a factual issue that cannot be determined from documents on file with the SCBOE, the specifications must set forth the factual allegations with particulars. The objector shall submit with the specifications, copies of any documents or affidavits that are required in order for the SCBOE to rule on the issue.
- H5.** Any specific objection to an individual signature or witness statement shall set forth the petition volume identification number, page number and line number and shall set forth with specificity the nature of each objection to that signature or witness statement. Objectors may use abbreviations or symbols as long as they are clearly defined in the specifications.
- H6.** Objectors are warned not to include in the specifications broad, non-specific or generic claims or claims which are not supported by documents filed with the SCBOE. The SCBOE may dismiss the entire objections as frivolous if specifications include such claims.
- H7.** The SCBOE policy regarding the appropriate forum for determination of allegations of forgery or fraud is an invalidation proceeding pursuant to NYS Election Law Section 16-102. The SCBOE does not ordinarily rule on such allegations. In the rare case where an objector seeks to obtain a ruling from the SCBOE on an issue of fraud, or on a factual issue which cannot be determined from documents already filed with the SCBOE (such as petitions, registration records, party call, party rules, etc.), the specifications shall set forth the factual allegations with particularity. The objector should submit with the specification copies of any documents or affidavits that are required in order for the SCBOE to rule on the issue. Notwithstanding such a submission, the SCBOE will generally decline to rule on any allegation of fraud.
- H8.** No specifications of objections to any petition or other filing will be considered by the board of elections unless the objector filing the specifications personally delivers or mails by overnight mail a duplicate copy of the specifications to each candidate for public office named on said petition or filing. In the case of a petition or filing containing candidates for party positions, service of the specifications shall be made on either the named candidates or the first person named on the petition's or filing's committee to fill vacancies. Service shall be made on or before the date of filing of any specifications with the board of elections. Proof of service shall

accompany the specifications or be received by the end of business two days following the filling of the specifications, whichever is later.

### **I. Clerks' Report**

- I1.** The Commissioners of the SCBOE, or in their absence, the Deputy Commissioners, or such other staff as may be designated by both Commissioners shall be assigned to examine the specifications of objections and to prepare a staff report to the Commissioners on the objections.
- I2.** Upon completion of the Clerks' Report, the Commissioners shall meet to review the line by line report by the clerks and make a determination.
- I3.** The guidelines for examination and copying of petitions shall also apply to specifications of objections showing the clerks' line by line review. The use of nominating or designating petitions and specifications by the clerks for the preparation of their report shall have priority over any request for examination or copying by any objector, candidate or their representative.

### **J. Commissioners' Determination:**

- J1.** The Commissioners shall render a determination once the clerks' report has been completed. Upon a determination of invalidity, both the objector and the candidate(s) shall receive a written determination by US Postal first class mail, unless a prior request for fax transmission and/or email address was received. In that case, email or fax transmission and US Postal first class mail will be employed or emailed.

### **K. Drawing for Ballot Position:**

Title 9, Subtitle V

Party 6204.3 Methods for Determining Ballot Order by Lot

- K1.** Pursuant to the New York State Board of Elections adopting the above Rules governing the conduct of drawings for ballot position, the Commissioners of the Schenectady County Board of Elections selected Option A. Drawing for ballot position will be conducted at the office of the Schenectady County Board of Elections.
- K2.** If there is a primary contest for public office or party position, the position of the candidates on the ballot shall be determined by lot. The losers in the Primary shall be withdrawn from the ballot and the winners shall be moved left to fill the gap of the loser for the General Election ballot. This procedure for the positioning of a candidate shall be used for the November General Election unless there is a timely request in writing to determine by lot for the ballot position.
- K3.** If there is no primary contest, names of candidates for Public Office shall appear on the ballot in the same order that they appear on designating petitions, unless there is a written request to determine by lot for the ballot position in conjunction with Section 7-116 of the NYS Election Law.
- K4.** Candidates or their designees may inspect the device to be used for the drawings prior to the drawing date. Once the inspection has occurred, the board will conduct the drawing in the following manner:

## Schenectady County Board of Elections Office Petition Guidelines 2024

1. The candidate list will be prepared listing the public offices, first, in order of largest jurisdiction in relation to the total number of election districts affected to lowest jurisdiction in relation to the total number of election districts affected. Candidates will be listed within office codes in order of the date/time stamp that was affixed to the front page of the petition when this office received it. The Board will utilize the existing Office Code table to determine order of offices. Primary contests by multiple political parties within a particular office code shall be drawn in the order that the party appears on the ballot.
2. If more than one name appears on the face of the petition, the names will be typed in descending order on the candidate list in the order that the names appear on the petition sheet(s). However, whenever groups of names are designated for party position on the same petition, the order in which they shall be printed on the official primary ballot shall be determined by a single lot, absent an application pursuant to Section 7-116(2) of the NYS Election Law to demand that the order within a petition be drawn.
3. The first number drawn on the automated selection machine will be noted on the candidate list next to the name of the first candidate. The second number drawn will be noted on the candidate list next to the name of the second candidate, and so on, until the drawing for all contested positions within that particular office code and political party has been completed.
4. Once the drawing for that office code and political party is complete, the numbers on the candidate list will be reviewed and the ballot order announced, with the lowest number representing the first position, the next lowest number representing the number two position, and so on.
5. Once the results of a particular office code and political party has been completed and announced, the numbers will be returned to the drawing device. Drawing for the next appearing contest will similarly be conducted and announced until all drawings have been completed.

**K5.** Drawing results will be compiled by the SCBOE as part of the ballot certification and transmitted to the authorized vendor that supplies the ballot material.
