**ADDENDUM #2**

**October 15, 2021**

The purpose of this addendum is to provide detailed information to all Bidders. This Addendum is hereby included in and made part of the Contract Documents, whether or not attached thereto. Receipt of this Addendum must be acknowledged on the bid form.

Q: Are contract specific budgets available to assist with bid bonds?

A: Bid Bonds are based on bid submission numbers, not the project budget. The project budget is unavailable.

Q: The plumbing bid form states that the allowance is \$10,000. The allowance specification section states that it is \$10,500. Which amount is correct?

A: \$10,500.00

Q: I cannot seem to locate an anticipated start date, completion date, nor duration. Can this information be provided?

A: We anticipate a 4 to 5 month projection based on lead times due to Covid-19. The anticipated start date would be immediately after the contract award and execution.
