Q: Will the town charge our contractor for the water service permits for the county property?

A: All the inspection fees are waived for the water main tapping and inspection. The total that will be due is \$250 for the ¾" meter and double check valve.

Q: Does the town supply the water meter? If not, do you have any specifications on what brand of meter? I don't see it in your town water meter specifications.

A: The meter and double check valve don't require specifications.
